

**MAGNITUDE SHIPPING
& LOGISTICS
PRIVATE LIMITED**

About the Company

Magnitude Shipping and logistics is formed by well experienced person's from freight forwarding industry who having experience of more than 20 years in the industry. Our Business has been built upon our care principals of putting our customer's interest first that's why we have team of well experienced and professional persons who are well capable of handling valuable cargo of customer's in the time frame along with cost effective way to meet global requirement.

Our team is enough capable to provide all shipping / international trade solutions under roof with honesty and transparency.

We are successfully handling following products

- Sea Freight
- Air Freight
- Custom Clearance
- Transportation
- Marine Cargo Insurance
- Packaging and other value added solutions
- Groupage Cargo
- Consultancy

Sea Freight

Whether you want to export or Import the goods Magnitude Shipping and Logistics is always ready to provide best possible freight options from all major ports of India.

We have well established connection with chain of shipping line for outbound / Inbound that provides us most Competitive freight rates to meet the requirements.

- Full Container Load (Outbound and Inbound)
- Less than container load (Outbound and Inbound)
- Hazardous Shipment
- Door to Door Shipments
- ODC Shipments

Air Freight

The main aim of air freight is to receive goods as quickly and safely as possible our experienced team well understand this requirement of customer's and priority the same our team make sure everything is handled in perfect way to so that we can meet our customers time guideline. Team always work on lowest cost we can possibly get for you. Team is also equipped in handling hazardous cargo.

- Air forwarding
- Express Delivery
- Hazardous Cargo
- Door to Door
- Custom Clearance
- All kind of packaging

Custom Clearance

Without custom clearance shipment is not possible to move, unlike many countries. India's custom clearance system is much more complicated and long wined required many documentation to completed and submitted. Since we well understand the requirements, our team is trained in such a manner where things move as per requirement of customer's. our team is well equipped with up to date conformation of customs rule, procedure and policies.

Team is able to provide fast and secure custom clearance services to our clients after fulfilling all customs requirement's.

Marine cargo Insurance

Cargo insurance play's an important role in international trade. Cargo insurance provides protection to your shipments in case of loss theft or damage whether it be land, sea or air movement, the source of damage can be come from anywhere and due to this insurance cover highly recommended.

At magnitude shipping we have partnered with an insurance porivder where we can provide best possible policies which can cover maximum risk so than in case of any loss / damage our clients get protected are well secured.

Packaging and Other Value added Solutions

We provide customizes inspection packaging services insuring that our clients goods are safe till final destination. We can provide all types of packaging as per international or product requirement.

- All type of customize packing
- Boxes and carats
- All kind of pallet
- Drums

Groupage Cargo

Since our senior team is from groupage background, we have already started consolidation from north India to USA and promoting other sector's also. We have good repo with all consolidators and negotiated rates on origin as well as destination so that consignee can take smooth delivery with full transparency.

Transportation

In India transportation and distribution very complex. At Magnitude shipping we have well trained staff who are from transportation/distribution background where they provide quality and time bounded services to our clients to meet the requirement of the customers. Team is capable to doing all kind of transportation like Haz, refer, Odd Dimension cargo ETC.

- General Cargo
- Temperature Controlled Cargo
- Odd Dimensional Cargo
- Loose Cargo
- Console Cargo

Consultancy

Our team not only provide custom clearance also they are dealing with all kind of DGFT liasioning on behalf of our clients they are well aware of all kind of rule and regulation's. We are liasioning in EPCG licences, Advance licences, export house certification issuing and removal, focus licencing and issue of DEPB licences etc.

Customer Care

As we well understand that information on each and every step plays very important role in international trade where goods passes from different channels. So considering all the requirement MSLPL have very efficient team who takes care of each and every steps of movement of shipments 24 x 7 and update our valuable clients on each and every development on time from order till delivery.
