

Your Trust is Our Achievement

Magnitude Shipping & Logistics Private Limited MSLPL

About the Company

Magnitude Shipping is formed by well experienced person's from freight forwarding industry who having experience of more than 20 years in the industry. Our business has been built upon our care principals of putting our customer's interest first that's why we have team of well experienced and professional persons who are well capable of handling valuable cargo of customer's in the time frame along with cost effective way to meet Global requirement.

Our team is enough capable to provide all shipping /international trade solutions under roof with honesty and transparency.

We are successfully handling following products :

- Sea freight
- Air freight
- Custom clearance
- Transportation
- Marine Cargo insurance
- Packaging & other value added solutions
- Groupage cargo

Sea Freight

Whether you want to export or import the goods Magnitude Shipping and Logistics is always ready to provide best possible options from all major ports of India.

We have well established connection with chain of shipping line for outbound / inbound that provides us most competitive freight rate to meet the requirements.

- Full container load
(out-bound and in-bound)
- Less than container load
(out-bound and in-bound)
- Hazardous Shipment
- Door to door shipments
- ODC Shipments

Air Freight

The main aim of air freight is to receive goods as quickly and safely as possible our experienced team well understand this requirement of customer's and priority the same our team make sure everything is handled in perfect way so that we can meet customers time guideline. Team always work on lowest cost we can possibly get for you. Team is also equipped in handling hazardous cargo.

- Air forwarding
- Express delivery
- Hazardous cargo
- Door to door
- Custom clearance
- All kind of packaging

Custom Clearance

Without custom clearance shipment is not possible to move, unlike many countries. India's custom clearance system is much more complicated and long winded required many documentation to completed and submitted. Since we well understand the requirements, our team is trained in such a manner where things move as per requirement of customers. Our team is well equipped with up to date conformation of customs rules, procedure and policies.

Team is able to provide fast and secure custom clearance services to our clients after fulfilling all customs requirement's.

Marine Cargo Insurance

Cargo insurance play's an important role in international trade. Cargo insurance provides protection to your shipments in case of loss, theft or damage whether it be land, sea or air movement, the source of damage can be come from anywhere and due to this insurance cover is highly recommended.

At magnitude shipping we have partnered with an insurance provider where we can provide best possible policies which can cover maximum risk so than in case of any loss/damage our clients get protected are well secured.

Packaging and Other Value-added Solutions

We provide customizes inspection packaging service insuring that our client's goods are safe till final destination. We can provide all types of packaging as per international or product requirement.

- All type of Customize Packing
- Boxes & Carats
- All Kind of Pallets
- Drums

Groupage Cargo

Since our senior team is from groupage background, we have already started consolidation from north India to U.S.A and promoting other sector's we also have good repo with all the consolidators and negotiated rates on origin as well as destination so that consignee can take smooth delivery with full transparency.

Tranportation

In India transportation and distribution very complex. At magnitude shipping we have well trained staff who are from transportation/distribution background where they provide quality and time bounded services to our clients to meet the requirement of the customers. Team is capable to doing all kind of transportation like Haz, refer, odd dimension cargo etc.

Our transportation team keep tight hold on drivers and keep continuous monitoring on each and every stage till cargo reaches final destination, delivering safe and time bound is our prime motto.

- General Cargo
- Temperature Controlled Cargo
- Odd Dimensional Cargo
- Loose Cargo
- Console Cargo

Customer Care

As we well understand that information on each and every step plays very important role in international trade where goods passes from different channels .so considering all the requirements MSLPL have very efficient team who takes care of each and every steps of movement of shipments 24x7 and update our valuable clients on each and every development on time from order till delivery
